Dear Parents:

On December 16, 2022 we were made aware of an incident which occurred in the boys' locker room prior to the junior high basketball game at Cyril on December 15, 2022. Although we are limited in what we can say, this situation appears to involve inappropriate physical contact of a basketball player by other players.

After learning of the incident, we contacted law enforcement and the Department of Human Services as required by law. We are cooperating in the law enforcement investigation. In the coming days we will decide about discipline to be imposed on the involved students as authorized by District policy. Student safety is our number one priority. Additional information will be made available when possible.
