CHATTANOOGA ELEMENTARY PARENT-SCHOOL COMPACT

It is important that families and school work together to help students achieve high academic standards. Through a process that included teachers, families, students, and community representatives, the following are agreed upon roles and responsibilities that we as partners will carry out and to support student success in school and in life.

As a **STAFF MEMBER**, I will provide your child with every opportunity to learn and grow by:

- Maintaining a quiet and organized work place.
- Having a high expectation of myself and my students.
- Giving instruction and assignments appropriate for the skill and development required by state and district standards.
- Monitoring Student work on a daily basis to ensure success and progress.
- Reporting regularly to parents with returned work, written notices, and conferences.

As a **STUDENT**, I will keep my focus on what is important in meeting my goal of learning by:

- Being in class on time, every day, with my homework in hand (if assigned) and prepared to work.
- Allowing the teacher to teach and everyone in class to learn.
- Completing my work on time and accurately.
- Keeping my hands feet, objects and comments to myself.
- Respecting others and their property.

As a **PARENT/GUARDIAN**, I will support Chattanooga Elementary School's programs and activities that give my child the optimum opportunity for learning by:

- Expecting my child to complete daily homework assignments, providing assistance as needed, and check for a timely return to school.
- Accentuating the positive events at school and help my child resolve issues of concern and conflict.
- Support the discipline policy and reinforcing the highest expectations of the school staff.
- Reading to and listening to my child read daily as a way of building a lifelong interest and joy of reading.
- Seeing that my child gets adequate rest and is in school on time with a positive outlook.
- Attending conferences to discuss my child's progress and attending events which showcase my child's work and learning experiences.
- Providing and maintaining accurate information on my child's records for contact.

TO: PARENTS OF TRANSPORTED STUDENTS

FROM: CHATTANOOGA BOARD OF EDUCATION

The school bus driver has a great responsibility. Each day he carries a "precious cargo" and his only concern should be to see that all of his passengers are transported to and from school safely. Unfortunately, there are times when children (young and old) do things that cause the driver to be distracted from his job. This is dangerous and cannot be allowed. It is necessary; therefore, that Student Conduct Rules and Regulations be in force and that they are followed without question. Each parent must see that their child understands the importance of good behavior while riding a bus.

Riding a school bus is not a right but a privilege granted to those who are eligible and are able to abide the rules and regulations. It is not right that a student be allowed to ride a school bus when he continues to jeopardize the safety of others. The Board of Education realizes that a hardship may result in having to take your child to and from school but it is sometimes necessary.

Therefore, the Chattanooga School System must have the parent sign an agreement that their child will abide by the rules and regulations. If the rules are broken, appropriate punishment will be administered. Punishment could be in the form of:

1. Student barred from riding the bus (this could be temporary or permanent)
2. Students placed in detention.
3. Students could face other punishment benefiting the offence (for example, writing on bus seats will result in having to clean the bus seats).

This applies only to students in 5th through 12th grades. There will be no Counseling with them. They have read the rules and you have gone over it with them. Punishment will be immediate, and by the administrator of their respective school. If a student shows an uncontrolled malicious disregard for the safety and well-being of the passengers and driver, it is possible that immediate suspension will occur.

The bus driver accepts the responsibility of getting your child to and from school safely, therefore, what he observes and reports to the administrator is final. The driver is not there to determine the right or wrong of one student in a dispute with another, but is there to report any misconduct or behavior that might keep him from properly doing this job.

For students in Pre-K through 4th grades a counseling process will be administered for controlling discipline and conduct problems, with occasionally some punishment assessed after counseling fails. Only in very rare cases is it necessary to deny riding privileges to students Pre-K through 4th.

Any student who is involved in damage to a school bus will be required to pay for the damage. All students will be assigned to a seat and they will be expected to remain in that seat. Students will not move from their seat to other seats without permission from the administrator, unless some situation exist where the driver's discretion will be called upon. These incidents will be reported to the administrator.

Riding a school bus is a privilege and the privilege may be removed for not abiding by the bus rider rules.

PLEASE COMPLETE THE FORM BELOW - IN ORDER TO RIDE THE SCHOOL BUS, THIS FORM MUST BE RETURNED WITHIN THE FIRST TWO WEEKS OF SCHOOL. (The form can be returned to teachers, bus drivers or the office)

To the Chattanooga School System:

We have read and discussed with our children the school bus policy and rules. We agree with the Chattanooga School System that these rules should be enforced and that any student who cannot abide by these simple rules should be disciplined and/or counseled according to the stated policy. As parents, we ask that the school contact us by telephone or written letter each time our children are involved in incidents so that we might further counsel our children on proper bus conduct.

Sincerely,

Please write in the names and grade of each child in your family that will ride the school bus. This statement will be in effect for the current school year.
